Exploring the Urban Community: A GIS Approach - 2nd ...

The Urban Explorers Network was created in 1999 by Paul Allen Rice following his creation of The Underground mailing list in 1997 where vadders could discuss college tunnels and any manmade underground structures. The mailing list and website were for urban explorers to share their experiences and network among themselves in further explorations.

Urban Explorers Network - Explore the Planet

Urban exploration (often shortened as UE, urbex and sometimes known as roof-and-tunnel hacking) is the exploration of manmade structures, usually abandoned ruins or hidden components of the manmade environment.

Urban exploration - Wikipedia

Explore communities that vary in size and structure and how they change over time, having a history and heritage and will continue to change. Cite ways in which a community meets the needs of its members, using available resources and technology. Discover how members of the community work together to be responsible citizens.

Exploring care is such a foundational aspect of our work that we have already launched a spinoff company, Cityblock Health, focused on community-based care in underserved urban communities. Sidewalk Labs recently partnered with a Toronto-based firm, Idea Couture , to learn more about how neighborhoods can truly be drivers of community well-being and, by extension, individual health.
