Unlike cable/satellite, Netflix, Vudu, Hulu, etc., over-the-air TV viewers don't have to leave the main channel selection menu to access the new internet streaming channels offered by LG Channels. For OTA TV viewers, LG Channels provides more seamless content access and navigation, making finding that favorite show or niche content more accessible and faster.

### LG Channels - What You Need to Know

I know this is a Freesat forum, but I think some may find this useful. I just bought the LG 42" TV 42LN543V. I bought it for the Freeview HD side, but it has a HD satellite tuner built in. No one knew about it. I have tried it out & it gets the HD channels fine. So it's Freeview HD with a HD Satellite built in.
