Present Perfect Progressive. The present perfect progressive expresses an action that recently stopped or is still going on. It puts emphasis on the duration or course of the action. Form of Present Perfect Progressive

## **Present Perfect Progressive (Present Perfect Continuous)**

Actions with present results. We can use both present perfect simple or continuous for recent actions with a present result, but we use the present perfect simple when the present results come from having finished the action, and we use the present perfect continuous when the present results come from the process of performing the action (which may or may not have finished).
