Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Title High Profit Candlestick Patterns

The "high profit" part remains unproven, as the author focuses on illustrating the application of candlestick patterns to anecdotal evidence in selective charts. I found no tangible evidence in terms of frequencies & probabilities, or expectancy, just how (if even whether) "profitable" these patterns are.

High Profit Candlestick Patterns Stephen Bigalow PDF

If there are other indications confirming the candlestick pattern, a trader may then decide to enter a long position in the Forex market or buy stock, futures or options. On the other hand, the Hanging Man (which is the same single candlestick pattern, but occurs while a market is moving up) indicates the opposite - that the trend may change and start going down or bearish.
